

Press release

THE 27th EUROPEAN FILM AWARDS: 50 Films in EFA Selection

During a press conference in Riga, European Capital of Culture 2014 where this year's 27th European Film Awards will take place, the European Film Academy and EFA Productions announced the titles of the 50 films on this year's selection list, the list of films recommended for a nomination for the European Film Awards! With 31 European countries represented, the list once again illustrates the great diversity in European cinema.

In the 20 countries with the most EFA Members, these members have voted one national film directly into the selection list. To complete the list, a Selection Committee consisting of EFA Board Members and invited experts **Mark Adams** (UK), **Marit Kapla** (Sweden), **Stefan Kitanov** (Bulgaria), **Paz Lázaro** (Spain), **Christophe Leparc** (France) and **Elma Tataragic** (Bosnia & Herzegovina) has included further films.

In the coming weeks, the over 3,000 members of the European Film Academy will vote for the nominations in the categories European Film, Director, Actor, Actress and Screenwriter. The nominations will then be announced on 8 November at the Seville European Film Festival in Spain. A 7-member jury will decide on the awards recipients in the categories European Cinematographer, Editor, Production Designer, Costume Designer, Composer and Sound Designer.

The 27th European Film Awards with the presentation of the winners will take place in Riga on 13 December.

For more information on the films and a complete list of the award categories:
